*Hannah Andrevski - CEO and Founder of
Roundabout Canberra*

Hannah is the founder of Roundabout Canberra. She was an integral member of the Roundabout Canberra Board until 2022 when she was appointed as CEO. She saw a need for a service like Roundabout in the Canberra community while on maternity leave with her baby and toddler in late 2017. For the first three years of Roundabout's existence, Hannah ran Roundabout as a volunteer alongside her paid position in the public service. In 2019 Hannah was nominated for ACT Local Australian on the Year, won an award for her volunteering impact through Volunteering ACT and was a Westfield Local Hero.
