Chairs welcome

Dear Colleagues,

On behalf of the RACS TAS State Committee, we are pleased to welcome you to this year's Annual Scientific Meeting. This year the theme is the Humanitarian Surgeon. We encourage you to take this opportunity to engage with RACS Fellows and others from the health sector. The Foundation for Surgery Dinner will follow the meeting and I look forward to seeing you all there

Dr Peter Moore
RACS TAS State Chair

Royal Australasian College of Surgeons

Foundation for Surgery

The Foundation for Surgery is striving for a world where all children, families and communities can access quality surgical care when they need it most.

The Foundation seeks your support to fund safe and quality surgical care through projects in Indigenous health, global health, rural and remote health, and research/training.

Your donation will assist in addressing critical surgical need in disadvantaged communities, improving health equity as well as supporting research and training that advances surgical practice and patient care in your area of interest.

All fundraising costs for the Foundation for Surgery are provided by the Royal Australasian College of Surgeons so that your donation achieves its maximum impact in the community.
