*The RACS Tasmanian State Committee  
invites you to the*

# Tasmanian Robotic Surgery Meeting 2023

Saturday 18 & Sunday 19 March 2023  
Peppers Silo  
Launceston, Tasmania

Join us in **Launceston** at Peppers Silos to explore the diverse world of **Robotics in Surgery**. Experience immersive demonstrations from leading industry representatives. Learn about the Robotic Surgical capacities for each Specialty group and how the public/private partnerships work together to collaboratively aid Surgery. An informative **1.5 day program** of interactive discussions and hands on learning with networking and social dinner to follow.
