

# RACS VICTORIA DEVELOPING A SURGICAL CAREER

Saturday 29 July 2023  
Skills Lab, RACS Melbourne  
8:30am - 4.00pm

**About the event:**

The Developing a Surgical Career Workshop is designed to provide information and support to assist junior doctors interested in a surgical career.

These workshops provide participants with hands-on experience in surgical techniques and equipment. You will have an opportunity to engage in several surgical skills stations facilitated by Fellows and Trainees.

With the capped number of participants, you will have ample opportunity to engage with the fellows to discuss individual surgical journeys and queries. The day will be enhanced by several discussions on wide-ranging topics encompassing the path to becoming a surgeon.

**Cost:**  
**\$95 including an essentials surgical kit**

**REGISTER HERE**
