

Tri-State Webinar Series

Topic: Work life: How to thrive as a surgeon

When: Thursday, 12 October 2023
6:00pm - 7:00PM (AEDT)

Session Outline:

Sharee Johnson is a registered Psychologist, Professional Coach, Author, Speaker and Meditation Teacher. She has been coaching doctors since 2015 and is the founder of Coaching for Doctors, Australia's first coaching practice dedicated solely to doctor development. In 2021 she published her international best selling book *The Thriving Doctor - How to be more balanced and fulfilled, working as a doctor*. Sharee spends her days deep in coaching conversations with individual and groups of doctors seeking to understand their goals, aspirations and challenges believing healthcare systems can be much more effective for patients when caregivers are well. She is wholeheartedly invested in healthcare that values and prioritises human partnerships.
