This regulation has been formulated to ensure consistency of practice with regard to the processing of PD activity registration fees and refunds.

### 3.2. Registration Fees

3.2.1. College Fellows, Trainees and International Specialist International Medical Graduates will be charged a registration fee based on recovery of the total costs associated with the implementation of an activity. This fee will be adjusted if the activity receives financial support from an external agency via an educational grant or sponsorship.

3.2.2. Non-members of the College will be charged an additional fee.

### 3.3. Transfers

Transfers to an alternate course are not possible for paid courses. Applicants are required to withdraw from their original course then enrol in another course. The withdrawal and cancellation policy applies (see 3.4).
