

Eligibility summary	RACS Fellows, SIMGs, SET Trainees
Interest area	Research in the field of Endocrine Surgery

The Foundation for Surgery research scholarships and grants support surgeons and SET Trainees who wish to undertake research in the relevant field.

Conditions

This guideline outlines information specific to the respective scholarship's purpose, value, duration, conditions and recipient eligibility. For all the conditions for this scholarship it is essential that you also read the Research Policy.

Applicant eligibility

Applications are open to RACS Fellows, specialist international medical graduates (SIMGs) and SET Trainees undertaking research in the field of Endocrine Surgery.

Eligible activity

The grant is intended to support research undertaken in the field of Endocrine Surgery. The grant may also be utilised to support travelling fellowship to an endocrine centre of excellence in order to learn new techniques in endocrine surgery.

Selection process

Selection is assessed via written application.

The selection panel is comprised of the Executive members of Australian and New Zealand Endocrine Surgeons (ANZES) and two members of the ANZ Scholarship and Grant Committee (ANZSGC).

Recipient obligations

Recipients will be asked to present at Foundation for Surgery and/or Australian and New Zealand Endocrine Surgeons events regarding the grant and the recipients' achievements.

Financial arrangements

The scholarship will be paid to the recipient upon receipt of a valid tax invoice as requested by the Scholarships and Grants department. Payment will be made in one instalment prior to 1 March in the grant year.

Funding Source

This grant is funded by an annual donation from the Australian and New Zealand Endocrine Surgeons to the Foundation for Surgery and held in a RACS project account until paid out.
