Research Scholarships Guideline

Governing Policy: Research Scholarship Policy

Academy of Surgical Educators Research Scholarship

The Academy of Surgical Educators (ASE) Research Scholarship supports surgeons and Trainees to conduct research into the efficacy of existing surgical education and innovation of new surgical education practices.

Conditions

Applicant eligibility

Applications are open to RACS Fellows, Specialist International Medical Graduates (SIMGs) and SET Trainees.

Eligible activity

Research into the efficacy of existing surgical education or innovation of new surgical education practices.

Application criteria

Applicants are required to submit a statement that summarises their personal experience in obtaining and delivering surgical education research projects and the anticipated future contribution they will make to surgical education in Australia and/or Aotearoa New Zealand.

Selection

Selection is via assessment of the written application only.

The selection panel is comprised of the chairs or their nominees of:

- the Academy of Surgical Educators
- the Professional Development and Standards Board (PDSB)
- the ANZ Scholarship and Grant Committee (ANZSGC)
