"Great to get this conversation started. Be great to hear more discussion on this subject."

"Thank you!"

"Excellent, best presentation for a long while."

"It was hot"

"More multidisciplinary meetings like this to be organised"

"The room was quite warm"

"Excellent presentations, engaging and thought provoking. Would highly encourage other nurses to attend talks such as this in the future. Thank you!"

"The room was extremely hot/stuffy. Good discussion and plenty of time for audience participation."

"Wonderful seminar. Only negative was the room was very hot. Otherwise, I thoroughly enjoyed it. Many thanks."

"Please switch on air-conditioning."

"Excellent session, a lot of food for thought. Thanks:"

Note: 11 (24%) out of 46 respondents provided additional comments about the program.
