

Royal Australasian College of Surgeons
Australian and New Zealand Audit of Surgical Mortality

Learning from Clinical Quality Registries

An ANZASM webinar hosted by WAASM

Monday, 7 April 2025

6:00pm AWST

Online via Microsoft Teams

Hosted by the Western Australian Audit of Surgical Mortality (WAASM)
in association with the Australian and New Zealand Hip Fracture Registry (ANZHFR).

Following the recent publication of the Australian Commission on Safety and Quality in Health Care's (ACSQHC) Framework for Australian Clinical Quality Registries, this webinar will consider how participation in these registries can change and improve clinical care.

Chair: Dr James Aitken, WAASM Clinical Director

ANZHFR overview

Associate Professor Chris Wall
Orthopaedic Surgery Co-Chair ANZHFR

Impact of adherence to the ACSQHC Hip Fracture Clinical Care Standard

Professor Jacqueline Close
Geriatric Medicine Co-Chair ANZHFR

Perioperative management of direct oral anticoagulant (DOAC) medication

Dr Seth Tarrant
Orthopaedic Surgeon, John Hunter Hospital, NSW

Nonoperative management of patients with hip fractures

Dr Hannah Seymour
Geriatrician, Fiona Stanley Hospital, WA
