1. INTRODUCTION

1.1. Definition of terms for the purpose of these Regulations

1.1.1. **OHNS** refers to the surgical specialty of Otolaryngology, Head and Neck Surgery.

1.1.2. **Applicant** means a person who has applied for the Surgical Education and Training (SET) Program in Otolaryngology, Head and Neck Surgery of the Royal Australasian College of Surgeons (RACS).

1.1.3. **Board** means the RACS Board of Otolaryngology Head, and Neck Surgery (Board of OHNS).

1.1.4. **Working Days** means Monday to Friday excluding Public Holidays.

1.1.5. **ASOHNS** means the Australian Society of Otolaryngology, Head and Neck Surgery.

1.1.6. **NZSOHNS** means the New Zealand Society of Otolaryngology, Head and Neck Surgery.

1.1.7. **College** or **RACS** means the Royal Australasian College of Surgeons.

1.1.8. **SET Program** means the Surgical Education and Training program in OHNS as approved by the Board of OHNS.

1.1.9. **Training Hospital** means an accredited Hospital in New Zealand where a trainee is allocated for a portion of their training.

1.2. **Purpose of these Regulations**

These Regulations describe the principles, terms and conditions of the selection process for the Royal Australasian College of Surgeons (SET) Program in Otolaryngology Head and Neck Surgery for the 2019 intake. This document is a public document.

1.3. **Administration and Ownership**

The College is the principal organisation accredited to conduct surgical education and training in Australia and New Zealand. The ASOHNS undertakes the development, delivery and administration of the SET Program as an agent of the College. The Board of OHNS is responsible for communicating with the College, ASOHNS and NZSOHNS regarding training and education. The Training, Education and Accreditation Committee of the NZSOHNS is responsible for the SET Program in New Zealand. This committee reports directly to the Board of OHNS.

1.4. **Objective of the SET Program**

The overall objective of the SET Program is to produce competent independent specialist surgeons with the experience, knowledge, skills and attributes necessary to provide the communities, health systems and professions they serve with the highest standard of safe, ethical and comprehensive care and leadership.
2. **PRINCIPLES UNDERPINNING THE SELECTION PROCESS**

2.1.1. The aim of the selection process is to select the highest calibre trainees for the SET Program on the basis of merit through a fair, open and accountable process.

2.1.2. The selection process will be documented and objective with applicants having access to eligibility criteria, information on the selection process, general selection criteria and an appeals process.

2.1.3. The selection process will be subject to ongoing review to ensure its continued validity and objectiveness.

2.1.4. The SET Program will be widely advertised to eligible applicants.

2.1.5. The selection process will conform to the requirements agreed by the College Board of Surgical Education and Training (BSET) and will meet the College's generic eligibility requirements.

2.1.6. The number of trainees selected in any year will depend on the number of accredited hospital training posts available in the following year.

3. **GENERIC ELIGIBILITY FOR APPLICATION TO THE SET PROGRAM IN OHNS**

Prior to applying to the SET program in OHNS, applicants must first register with RACS via its website. The registration period is 4 January – 2 February 2018. The generic eligibility requirements are included in the [Registration for Selection into SET](#) and [Selection to Surgical Education and Training](#) policies.

If an applicant meets the generic eligibility criteria, access to the SET program in OHNS applicant form will be provided from 28 February – 28 March 2018 (refer 4.1.4).

4. **OHNS SPECIFIC ELIGIBILITY REQUIREMENTS FOR APPLICATION**

4.1. **Eligibility Assessment**

4.1.1. Eligibility timeframes may be extended to account for parental leave upon receipt of verifying documentation from the employer.

4.1.2. Minimum eligibility requirements for surgery in general will be taken from rotations completed in the first instance. If the minimum eligibility cannot be met with completed rotations, future surgery in general rotations will be used.

a) If future rotations are used to meet minimum eligibility and the applicant is successful in being made an offer, evidence must be provided upon completion of each requirement. Requirements must be completed by 9 December 2018 without exception.

4.1.3. Documentary evidence for all requirements must be provided at the time of application or the entry will not be considered. No late documentation will be accepted.

4.1.4. Applications must be submitted via the College online application system at www.surgeons.org. Applications will close on 28 March 2018 (12:00pm AEDT).

a. By submitting an application, an applicant certifies that the information provided is correct and in accordance with these regulations. If it is discovered that the applicant has provided incorrect or misleading information the applicant may be withdrawn from the selection process and their application will not be considered further. This may occur at any stage during the selection process. If incorrect or misleading information of a serious nature is discovered, the applicant may be contacted and asked to submit a written explanation to the Board within 10 working days.
b. Misleading or incorrect information can include but is not limited to:
   - Prior attendance at examinations or courses without a pass/certified completion of all assessments
   - Past rotations allocated but not completed

4.1.5. The Board may verify the information provided within the application with external institutions or individuals and by submitting an application the applicant is consenting to the collection, use, disclosure and storage of the information by the Board or its agent.

4.1.6. Applicants who do not meet generic eligibility requirements and specific Otolaryngology, Head and Neck Surgery eligibility requirements will be ineligible and not progress to the next stage of selection and will be advised accordingly.

4.2. Applicents who are not current SET trainees, or not in full-time research, must complete:

4.2.1. The RACS Generic Surgical Sciences Examination (with a pass grade) by close of applications.

4.2.2. A minimum of 20 consecutive weeks full-time training at registrar level in an Otolaryngology, Head and Neck Unit completed since 1 January 2015 and before the close of applications.
   a. The unit must be staffed by Consultants with Vocational Registration in OHNS.
   b. One of the nominated referees on the application form must include an ORL consultant in that unit. This may include a surgical supervisor who is a member of the New Zealand Training and Education committee.

4.2.3. A minimum of 20 weeks full-time training at registrar level of non-ORL surgical experience. This must have been completed since 1 January 2015 and before 31 December 2018. This experience can be obtained by using multiple rotations, however:
   a. Rotations must be at least 10 continuous weeks to be included.
   b. Surgical rotations are defined as one of the nine specialties of the Royal Australasian College of Surgeons.
   c. Surgical night rotations will not be eligible.
   d. Surgical relief rotations will not be eligible unless at least 10 weeks is spent in one specialty.

4.2.4. Minimum 8 consecutive weeks in a dedicated Emergency Department completed since beginning of intern year, completed in the five (5) years prior to the first application to SET and before the date of application.

4.3. Current SET trainees must complete:

4.3.1. The RACS Generic Surgical Sciences Examination (with a pass grade) by close of applications.

4.3.2. A current SET Trainee is defined as being registered with the College as a trainee.

4.3.3. A minimum of 20 consecutive weeks full-time training at registrar level in an Otolaryngology, Head and Neck Unit completed in the two years prior to the first application to SET
   a. The unit must be staffed by Consultants with Vocational Registration in OHNS.
   b. One of the nominated referees on the application form must include an ORL consultant in that unit. This may include a surgical supervisor

who is a member of the New Zealand Training and Education committee.

4.3.4. A minimum 20 weeks full-time training at registrar level of non-ORL surgical experience. This must have been completed since 1 January 2015 and before 31 December 2018. This experience can be obtained by using multiple rotations, however:
   a. Rotations must be at least 10 continuous weeks to be included.
   b. Surgical rotations are defined as one of the nine specialties of the Royal Australasian College of Surgeons.
   c. Surgical night rotations will not be eligible.
   d. Surgical relief rotations will not be eligible unless at least 10 weeks is spent in one unit.

4.3.5. Current SET trainees will be exempt from the Emergency Department rotations.

4.4. Applicants in full-time research for a Higher Degree must complete:

4.4.1. The RACS Generic Surgical Sciences Examination (with a pass grade) by close of applications.

4.4.2. Full-time research is defined as two (2) or more years research and study towards a higher degree (Masters by research or PhD).

4.4.3. A minimum of 20 consecutive weeks full-time training at registrar level in an Otolaryngology, Head and Neck Unit completed in the three (3) years immediately prior to commencing full-time research and before the close of applications.
   a. Part-time rotations undertaken during the research period may be considered and will be calculated pro-rata. Evidence of hours worked per month must be provided.
   b. The unit must be staffed by Consultants with Vocational Registration in OHNS.
   c. One of the nominated referees on the application form must include an ORL consultant in that unit. This may include a surgical supervisor who is a member of the New Zealand Training and Education committee.
   d. The current research supervisor must also be a nominated referee

4.4.4. A minimum 20 weeks full-time training at registrar level of non-ORL surgical experience. This must have been completed in the three (3) years immediately prior to commencing full-time research and before 31 December 2018. This experience can be obtained by using multiple rotations, however:
   a. Rotations must be at least 10 continuous weeks to be included.
   b. Surgical rotations are defined as one of the nine specialties of the Royal Australasian College of Surgeons.
   c. Surgical night rotations will not be eligible.
   d. Surgical relief rotations will not be eligible unless at least 10 weeks is spent in one unit.
   e. Rotations can be on an ongoing and part-time basis and will be calculated pro-rata with documentary evidence of hours worked per month/in total.

4.4.5. Minimum 8 consecutive weeks in a dedicated Emergency Department completed since beginning of intern year and before date of application.
5. **SELECTION PROCESS OVERVIEW**

5.1. **Eligibility**

5.1.1. Applicants who satisfy the generic and specialty specific eligibility requirements will have their CV scored in accordance with Regulation 6 and;

5.1.2. Referee reports will be collected in accordance with Regulation 7.

5.1.3. Applicants who do not satisfy the eligibility requirements will be classified as unsuitable and informed in writing by 8 June 2018.

5.2. **Invitation to Interview**

5.2.1. Applicants who satisfy the eligibility requirements will be ranked on the basis of the following selection tools, providing an overall score out of 60;

   a. Structured Curriculum Vitae out of 35
   b. Structured Referee Reports out of 25

5.2.2. Applicants will be invited for interview in accordance with Regulation 8.

5.2.3. Applicants who do not meet the cut-off for interview will be classified as unsuitable and will be informed no later than 10 working days prior to the Interview date.

5.3. **Ranking and Offers**

5.3.1. Applicants who attend the Semi-Structured Otolaryngology Head and Neck Surgery Panel Interview will be ranked on the basis of the following selection tools, providing an overall score out of 100;

   a. Structured Curriculum Vitae out of 35
   b. Structured Referee Reports out of 25
   c. Semi-Structured Otolaryngology Head and Neck Surgery Panel Interview out of 40

5.3.2. If more than one applicant has the same total and interview score, the applicant with the higher Online Referee Report score will receive the higher ranking.

5.3.3. On completion of the relevant components of the selection process applicants will be classified as either:

   a. Successful - being an applicant who has met the minimum standards for selection (refer 5.3.4, 5.3.5 and 5.3.6) and ranked high enough to be made an offer of a position in the training program.
   b. Unsuccessful - being an applicant who has met the minimum standard for selection (refer 5.3.4, 5.3.5 and 5.3.6) but does not rank high enough to be made an offer of a position due to unavailability of posts.
   c. Unsuitable – being an applicant who does not meet an eligibility criteria

5.3.7. The entry point into the SET Program for the 2019 intake is SET1.

5.3.8. Applicants who attend the Interview will be notified of the outcome of their application on 2 July 2018.

6. STRUCTURED CURRICULUM VITAE

The Structured CV, included in the online application form, captures applicants’ information on experience, other qualifications, publications, presentations and skills courses.

Each CV will be scored using a structured scoring system by two scorers, without reference to the opinions of the other. Where any discrepancy occurs in the scores provided by the two scorers the Training, Education and Accreditation Committee Chair will review discrepancies and provide a final score.

6.1. The CV will be scored out of a maximum 100 points
The components scored are:

   6.1.1. Surgical Experiences (maximum 46 points).
   6.1.2. Skills Courses and Conferences (maximum 16 points).
   6.1.3. Qualifications (maximum 18 points).
   6.1.4. Research and Academic Achievements (maximum 20 points).

6.2. Surgical Experience (maximum 46 points)

   6.2.1. Rotations less than 10 continuous weeks duration by the close of applications will not be scored.
   6.2.2. Rotations longer than 26 weeks will be scored up to the maximum allowable points per rotation.
   6.2.3. Only surgical or ICU rotations will be scored. Surgical rotations must be at registrar level and in one of the nine specialties of the College.
   6.2.4. Private assisting will not be scored.
   6.2.5. Rotations that were not full-time will be scored pro-rata.
   6.2.6. Rotations commenced after the closing date of applications will not be scored.
   6.2.7. Rotations will only be considered for scoring if accompanied by documentary evidence in the form of a letter of confirmation from the appointing hospital or Health Service. An employment contract, letter of offer or roster is not adequate documentation and will not be scored.
   6.2.8. Scoring:
       a) A rotation in Otolaryngology, Head and Neck Surgery is scored 4 points per 10 weeks (max of 16 points).
       b) A rotation in the disciplines of ICU, Neurosurgery, Plastic & Reconstructive Surgery and General Surgery is scored 4 points per 10 weeks (max of 8 points each).
       c) A rotation in any other surgical discipline is scored 4 points per 10 weeks (max 4 points each).

6.3. Skills Courses (maximum 1 point)

   6.3.1. Only EMST, CLEAR, ASSET, CCrISP, NOTSS and TiPS (or international equivalents) will be scored.
   6.3.2. Courses must be completed and all assessments passed prior to the close of applications.
   6.3.3. Certificate of attendance or letter of completion must be provided. Entries without adequate documentation will not be scored.
   6.3.4. Each course will be scored 0.5 points to a maximum of 1 point.
6.4. Qualifications (maximum 18 points)

6.4.1. Higher degrees awarded by the close of applications will be scored;
   a) Higher degrees are defined as a Masters or PhD,
   b) A higher degree should be equivalent in syllabus and assessment to
      one conferred by an Australian or New Zealand University.

6.4.2. A Bachelor of Dental Surgery awarded by the close of applications will be
        scored.

6.4.3. Other Bachelor degrees may be included, e.g. Pharmacy.

6.4.4. A Fellowship of the Royal Australasian College Of Surgeons will be
        scored.

6.4.5. Scoring does not include:
   a) primary medical degrees (MBBS or equivalent)
   b) Post-graduate or Graduate diplomas or certificates

6.4.6. Qualifications must be complete by the close of applications.

6.4.7. Overseas qualifications must have been assessed by the New Zealand
        Qualifications Authority or relevant Australian authorities as being
        equivalent to a degree in New Zealand or Australia.

6.4.8. Entries without adequate documentation will not be scored.

6.4.9. Scoring:
   a) FRACS is scored 9 points.
   b) A PhD relevant to medicine is scored 6 points.
   c) A Masters degree by thesis, relevant to medicine is scored 3 points.
   d) A Bachelor of Dental Surgery is scored 3 points.
   e) A PhD not relevant to medicine is scored 2 points.
   f) A Masters degree by course work, relevant to medicine is scored 1
      point.

6.5. Research and Academic Achievements (maximum 20 points)

6.5.1. Scoring only includes medically-relevant presentations within five (5) years
        immediately prior to the closing date of application.

6.5.2. In the case of oral presentations, scoring only includes those made
        personally by the applicant. Documentary evidence must be explicit on this
        point or the presentation will not be scored.

6.5.3. Scoring only includes presentations made at a scientific meeting or
        conference subject to abstract selection.

6.5.4. Scientific meetings and conferences are classified by their intended
        audience, not title.

6.5.5. Entries without adequate documentation will not be scored.

6.5.6. Scoring:
   a) Each oral presentation at an international meeting is scored 4 points.
   b) Each oral presentation at a national meeting is scored 2 points.
   c) Each poster presentation is scored 1 point.

6.5.7. Scoring only includes publications relevant to medicine in a peer-reviewed
        publication listed on Medline.
6.5.8. Publications must be published within five (5) years immediately prior to the close of applications.

6.5.9. Publications of a similar nature will be scored once. The higher scoring entry will take precedence.

6.5.10. Scoring includes case reports, journal articles and book chapters.

6.5.11. Scoring does not include letters to the Editor.

6.5.12. Entries without proof of publication will not be scored.

6.5.13. Scoring:
   a) An article in an international journal where the applicant is the first author is scored 4 points.
   b) An article in a national journal where the applicant is the first author is scored 2 points.
   c) A case report where the applicant is first author or a publication as a sub-author is scored 1 point.

7. STRUCTURED REFEREE REPORTS

Confidential references are collected by an external agency on behalf of the Board using an online system to obtain information about the clinical aptitude, workplace behaviour and personal attributes of the applicant.

The referee collection period is from 26 April – 23 May 2018. As reports are collected online, please ensure your referees will have access to the internet during this time and are willing to access the reports electronically.

7.1. Surgical Referees

Applicants must contact supervisors prior to nominating them as referees to obtain permission to provide contact details including a valid email address. No attempt should be made to canvas the referee’s intended response.

The applicant must provide contact details including a valid email address for the following:

7.1.1. A minimum of eight (8) and maximum of twelve (12) surgical consultants who have worked with the applicant since 1 January 2016 and prior to the closing date for applications.

7.1.2. At least two (2) referees must come from OHNS rotation/s and may include supervisors of training

7.1.3. Referees must be Surgical Consultants at the time of supervision and able to comment on all aspects of the applicant’s training.
   a. Referees cannot be a SET trainee of the College at the time of the rotation,
   b. Referees cannot be an IMG under assessment of the College at the time of the rotation.

7.1.4. Referees must have worked with the applicant for a minimum of eight (8) weeks (or full-time equivalent)

7.1.5. Current SET Trainees
   a) If OHNS rotation was prior to 1 January 2016, two referees from this rotation must still be included.

7.1.6. Applicants in Full-time Research (as defined in 4.1.2)
   a) Surgical referees may be nominated from part-time clinical work if all other criteria are met.
   b) Two referees from an OHNS rotation must be included even if rotation prior to 1 January 2016.
c) Applicants may nominate referees from the two clinical years immediately prior to commencing full-time research.

7.2. **Non-Surgical Referees**

Applicants must contact referees prior to nominating them and obtain permission to provide contact details including a valid email address. No attempt should be made to canvas the referee’s intended responses.

The applicant must provide contact details including a valid email address for the following:

7.2.1. Five (5) non-surgical senior staff members they have worked with from 1 January 2016 and prior to closing date for applications.

a) No more than two (2) non-surgical referees from any one rotation (or academic department if in full-time research).

b) At least one Nursing Unit Manager must be included.

7.2.2. Nominated referees must be:

a. Medical Consultants (must be NZMC recognised medical Specialists)

b. Nursing Unit Managers (unit nurse with most seniority)

c. Research Supervisors or senior Laboratory Administrators (if in full-time research only)

7.3. **Process**

7.3.1. The names of the referees selected to submit reports will not be released to applicants.

7.3.2. The Board will select six (6) supervising surgical consultants to be contacted to provide a referee report with consideration given to the duration and type of rotation.

a. Prior to the distribution of referee reports to the referees, the Board will nominate four (4) primary and two (2) alternate surgical referees from those selected to provide the applicant with the best opportunity to receive an adequate number of valid reports.

b. To ensure confidentiality of the referee report process, the applicant will not be informed of which referees have been selected or are primary or alternate.

7.3.3. The Board will select four (4) non-surgical staff to be contacted as part of the selection process.

a. Prior to the distribution of referee reports to the referees, the Board will nominate two (2) primary and two (2) alternate non-surgical referees from those selected to provide the applicant with the best opportunity to receive an adequate number of valid reports.

b. To ensure confidentiality of the referee report process, the applicant will not be informed of which referees have been selected or are primary or reserve.

7.3.4. The applicant must receive four (4) valid reports from surgical consultants and two (2) valid reports from non-surgical staff to be eligible to proceed in the selection process.

a. The Board will not contact more than the initial 10 referees for completion of reports. While effort is made by College administrative staff to ensure referees return reports, if invalid reports are returned, or selected referees do not wish to complete the report, unselected referees will not be contacted once the collection period has commenced.
7.3.5. If an applicant does not receive the minimum number of valid referee reports prior to the close of the referee report collection period, they will be ineligible and notified that they will not be considered further in the selection process.

7.3.6. If an applicant elects not to provide the details for supervising consultants and non-surgical staff in accordance with these Regulations, the applicant will be withdrawn from the selection process and their application will not be considered further in the selection process.

7.4. Referee Report Content

7.4.1. On the report the surgical referees will be asked to select one (1) of four (4) options for each of the twenty (20) assessment areas which they believe best describes the applicant. The assessment areas which will be scored within the reports can be generally categorised as:

a. Medical expertise
b. Judgement- clinical decision making
c. Communication
d. Collaboration
e. Management and Leadership
f. Health Advocacy
g. Scholar and teacher
h. Professionalism
i. Technical Expertise

7.4.2. If a surgical referee has provided a response for less than 85% (17 out of 20 assessment areas) of the report, the report will be invalid and will not be used as part of the selection process and an alternate’s report will be used.

7.4.3. On the report the non-surgical referees will be asked to select one (1) of four (4) options for each of the fifteen (15) assessment areas which they believe best describes the applicant. The assessment areas which will be scored within the reports can be generally categorised as:

a. Judgement- clinical decision making
b. Communication
c. Collaboration
d. Management and Leadership
e. Health Advocacy
f. Scholar and teacher
g. Professionalism

7.4.4. If a non-surgical referee has provided a response for less than 80% (12 out of 15 assessment areas) of the report, the report will be invalid and will not be used as part of the selection process and an alternate’s report will be used.

8. SEMI-STRUCTURED OHNS PANEL INTERVIEW

8.1. Invitations for Interview

8.1.1. Applicants will be ranked by the combined score of the CV and referee reports according to Regulation 5.2.1.

8.1.2. The Board will determine in March of the selection year, the number of interviews to be conducted based on the approximate number of vacant
training positions expected to be available the following year. Interviews will be offered based on a ratio of three (3) applicants to one (1) post (i.e. a ratio of 3:1).

8.1.3. Applicants will be invited to interview based on ranked order. Applicants with identical scores at the cut off mark will be invited to interview.

8.1.4. All applicants invited for interview will be given at least ten (10) working days’ notice of the interview.

8.1.5. All applicants not invited for interview will be notified at least ten (10) working days prior to the interviews. See Regulation 9.2 for feedback provided at this time.

8.1.6. All interviews will be held in Wellington on Saturday, 23 June 2018. It is the applicants’ responsibility to make the appropriate travel arrangements and to meet costs incurred in attending the interview. Information about the interview process will be included in the letter inviting applicants to interview.

8.1.7. Applicants must make themselves available at the scheduled interview time. Applicants who contact the RACS Executive Officer before the interview invitations are sent to request a specific time will be considered. Times will not be changed after invitations have gone out.

8.1.8. Applicants who do not present for the interview at the scheduled time will be ineligible and not considered further in the selection process.

8.2. Interview Structure

8.2.1. The interview will be conducted by three (3) interview panels, each consisting of two (2) or more interviewers. An NZSOHNS Member may act as an observer during the interviews. Each interview panel will present two (2) scenarios with associated questions. There will be 5 minutes reading time before each panel.

8.2.2. Each interview panel will take 15 minutes and the total interview time will be approximately 60 minutes.

8.2.3. Applicants will be asked the same initial questions. The follow-up probing questions will explore the breadth and depth of each applicant’s experience and insight.

8.2.4. The interview will seek information on the following attributes:
   a. Ability to perform realistic self-assessment
   b. Ability to contribute effectively as a member of a health care team
   c. Ability to act ethically, responsibly and with honesty
   d. Capacity for caring, concern and sensitivity to the needs of others
   e. The ability to interact effectively with peers, mentors, members of the health care team, patients and their families
   f. Effective spoken communication/Preparation for OHNS training/Overall impression

8.3. Interview Scoring

8.3.1. The Interview will be scored out of a total of 150 marks and is weighted at 40% of the applicant’s overall combined score.

8.3.2. The applicant will answer questions relating to six scenarios.

8.3.3. Each panel member will score the applicant independently following which a consensus among the panel members will be reached.

8.3.4. Each scenario will be worth 25 points.

10. **GARNETT PASSE AND RODNEY WILLIAMS MEMORIAL FOUNDATION (GP&RWMF) SCHOLARSHIP/SURGEON SCIENTIST PROGRAM**

10.1.1. Each year the GP&RWMF offer Category A scholarships for selected research projects to successful applicants to the OHNS SET program.

10.1.2. At the time of application, applicants wishing to apply for a scholarship will be requested to indicate their interest and permission for contact details to be given to the GP&RWMF.

10.1.3. GP&RWMF will be responsible for the publicising of available research projects and the process for contacting relevant professors.

10.1.4. Applicants wishing to apply for a scholarship must contact the supervising Professor directly indicating their interest.

10.1.5. Selection into the SET in OHNS program as a Surgeon Scientist will occur if all the following conditions are met:

   a. The applicant is successful; the supervising Professor has selected the applicant as suitable for the research project (independently of the RACS SET selection process and these Regulations).

   b. The applicant meets the criteria in the GP&RWMF Conditions of Award.

10.1.6. Applying for the GP&RWMF/Surgeon Scientist program does not increase an applicant’s chance of being successful in selection to the SET in OHNS program.
