Bartons' Chartered Accountants Representatives

Adam McCann

Adam is a Director with Bartons. He leads the Bartons Medical Team and is a key point of contact for medical professionals and practices to access our integrated offering across tax, accounting, wealth management, risk protection and lending. His qualifications include CFP®, Dip FP, GCM. He is a Certified Financial Planner and specialises in risk protection and financial planning.

Adam draws on his specialised insights to guide medical professional and Barton's professional and executive clients to optimise their financial position today to ensure long term financial independence and security.

Adrian Guarino

Adrian is a Financial Advisor who specialises in working with clients with complex needs and providing sound strategic advice. Adrian has worked across different advice businesses and most recently worked with Westpac Commercial and Private Bank. His qualifications include a Bachelor of Commerce majoring in Financial Planning and Finance and is also a SMSF Specialist Advisor™. Adrian is also a member of the FPA.

Macquarie Bank Representative

Rebecca Grover

Rebecca is the State Segment Head of Healthcare at Macquarie Business Banking. Through her role she works with entrepreneurial medical specialists helping them future proof their private practices by sharing practical examples and best practice around people, efficiency and finance.

During her presentation Rebecca will share insights from the Macquarie Healthcare Pulse Check Report and discuss the impact people have on your private practice.
